Service: Assembly instructions and information for users are included in delivery. Instruction for use, as well as the service code number (for technical questions or complaints) are to be found on the underside of the table top.

Warranty claim: 2 years (according to legal regulations).

Security advice: The table tennis table has to be placed on level ground and should be secured against rolling away or tipping over.

Field of use
Outdoors. For active leisure time.
In playback-position for sole training, too.

Tabletop
** Melamine resin board 5mm, green or blue, limited impact-resistant, resistant against dampness, metal frame 36mm.

Net set
Pilot-II-EN-stationary. Net: black. Net set can remain on the table in the playback- or in storage position, it also increases the stability of the table.

Locking system
SMS (Smart Manual System). Handle visible from all sides and in any position. Drawbar underneath the tabletop unlocks both of the safety devices simultaneously. Simple and automatic click-mechanism in storage and playing position of the table.

Undercarriage
Square-profile 25 x 25mm, window grey, powder-coated.

Wheels
4 double wheels Ø 125mm, 2 wheels are manoeuvrable, allow moving the table on rough ground.

Special features
Bat and ball holder on both sides of the table, for keeping 4 balls and 2 bats each.

Assembly video
Practical supplement to the assembly instruction. Step by step to the finished table tennis table - clearly explained in the video. Available via QR code. ***Link: http://q-r.to/05zb***
