Service: Assembly instructions and information for users are included in delivery. Instruction for use, as well as the service code number (for technical questions or complaints) are to be found on the underside of the tabletop.

Warranty claim: 2 years (according to legal regulations).

Security advice: The table tennis table has to be placed on level ground and should be secured against rolling away or tipping over.

Field of use

Indoors. High quality demands in an international scope.

Tabletop

*** Chipboard 25mm, coated several times with special varnish, green or blue. High stability through metal frame A 60mm.

Net set

Classic (ITTF-approved), net black, height adjustable, with stretching cord.

Locking system

SMS (Smart Manual System). Handle visible from all sides and in any position. Drawbar underneath the tabletop unlocks both of the safety devices simultaneously. Simple and automatic click-mechanism in storage and playing position of the table.

Undercarriage

Rectangle-tube-profile 60 x 40mm, anthracite metallic, powder-coated.

Wheels

4 wheels Ø 125mm with rubber tread, all wheels are manoeuvrable.

Special features

Balance of different standing positions and unevenness up to 30mm through height adjustment on the outer legs. Two gas pressure springs for weight neutralisation of the tabletops. When placing in storage position, several tables can be placed into each other. The table tennis table is ready assembled.

Assembly video

Practical supplement to the assembly instruction. Step by step to the finished table tennis table - clearly explained in the video. Available via QR code. [Link: http://q-r.to/060n](http://q-r.to/060n)
